

include/writePGM.h

```
graph BT; main["src/main.c"] --> header["include/writePGM.h"]; writePGM["src/writePGM.c"] --> header;
```

A diagram illustrating file dependencies. At the top is a gray rectangular box containing the text "include/writePGM.h". Below this box are two white rectangular boxes with black borders. The left box contains "src/main.c" and the right box contains "src/writePGM.c". Two blue arrows point from the top-right corner of the "src/main.c" box and the top-left corner of the "src/writePGM.c" box towards the bottom edge of the "include/writePGM.h" box, indicating that both source files include this header file.

src/main.c
